

From The Chief Editor's Desk

The "REX" journal is one of the fastest emerging as a governing means of education in this era. It has been immensely contributing to the overall improvement of society. The journal has kept its pace with ever-changing societies and catering its knowledge to society by and large.

Nevertheless to say the role of research and its scope in the area of academic and industry has been conducted at all the level. "REX" has been at the forefront in manifesting such ideas and innovation to

society from time to time. The University has always evaluated and measures such researches on different aspects and has featured itself as continuing and never-ending education in fine tune with the changes in the perspectives and program in the area of research.

"REX" Serves as an epitome source of information for the type of educational issues and aspects of education undertaken to study the growth and developments and honing the skills and methods of study. This publication is expected to help the future researcher to explore different areas of research, helping them to understand the research and methods, techniques used for research findings.

The researcher and the scholars' input has enhanced the quality of article already published. We offer the research publication platform through REX journal in deliverance of excellence level of research papers in field of Science and technology.

Dr. Madhu Gupta
Editor-in Chief, (REX)

About Rex Journal

Welcome to Renewable Energy World (Subscription yearly) International Journal of Renewable Energy Exchange is an interdisciplinary and fully referred journal from Shri Jagdishprasad Jhabarmal Tibrewala University (JJTU). It is an international Journal that aims to provide platform in promoting research techniques and emerging trends in Renewable Energy Exchange is an interdisciplinary fields. JJTU's International Journal Research in Engineering and Applied Sciences (REX) - ISSN 2321-1067 is an international journal, which releases 1 volume with 4 issues (1 issue per quarter) in a year. The international journal's aiming to promote and publish original research in all the fields of engineering and applied sciences. It provides a platform for the researcher's to share their best practices and knowledge by presenting the article. All the research articles submitted to IJRE should be original in nature and the research articles should never be published in any journal or presented in any of the conference. We welcome all researchers to publish with us and feel our professional and ethical processing procedures, we assure to provide quality support and facilities for your article processing. All the submissions will be peer-reviewed by the panel of experts associated with the particular field. Submitted papers should meet the internationally accepted criteria and manuscripts should follow the style of the journal for the purpose of both reviewing and editing.

INDEX

Name of Author	Title	Page No.
Atul R Patil	Analysis of Cyber Security Solution Building a Secure Cloud Computing Environment Amazon Case Study	1-8
Deepa Sharma	Iron Deficiency Anaemia among Adolescent Girls- Concerns and Intervention Strategies	9-12
Mohan D N	Identical Key Points Tracing For Copy-Move Forgery by Implementing TN-CMF Model	13-20
Umesh Nandgaon	Pilot Study Impact Of Customized Awareness Programme On Behavioral Outcomes	21-25
Chaitali Shewale	Twitter Sentiment Analysis with Gender Classification	26-34
Rupali Abhay Mishra	Transforming Healthcare Education through Massive Open Online Courses (Moocs) A Comprehensive Analysis	35-40
Kavita Khasa	Assessing Effectiveness Of Teaching Programme On Hand Washing In Tertiary Care Hospital Of North India 2012	41-43
Priyadarsini Sahoo	An Overview of Health Related Quality Of Life (Hrqol) In Children	44-47
Soumya K Vijayan	Interrogation of Combined Extract of Leaves Of Psidium Guajava and Coccinia Grandison Its Antioxidant Potential	48-55
Mala	A Review on the Integration Issues and Prospects in 5G Enabled Vehicular Networks	56-64
Ashwini	Investigating Effective Strategies for Providing Personalized Feedback to Students and Engaging Them in Online Learning Environments	65-71
Nitika Pratap	The Impact of Cloud-Based Learning Platforms on Educational Experiences of Primary Student Engagement	72-77
Krishna Soni	Effectiveness of Structured Teaching Program (STP) among the Age Group of 13-15 Years Girls in Selected School Of Daryapur	78-80
Vishal Verma	Awareness of Phishing Attack in India Online Detection and Its Preventions	81-87
Reshma Suryavanshi	Ranganathan's Five Laws of Library Science Their Continued Relevance in the Digital Age	88-91
Mamtha Jena	Kangaroo Mother Care A Simple Intervention for the Preterm and Low Birth Weight Infants	92-97

Sushma Sunil Bhosle	Effective Examination of Thyroid Detection through Diverse Machine Learning Procedure	98-104
Girish Jaysing Navale	Progressive Brain Diseases Advanced Diagnosis Using Machine Learning & Deep Learning Techniques	105-111
Neeta Suryakant Brahme	A Skillful Study of Mango Leaf Organization & Disease Finding By Using Deep Learning	112-116
Yadav Nisha Gajraj Savitri	Comparative Analysis of OCR Evaluating the Efficacy of Google Cloud Vision Document AI and Tesseract	117-123
Archana E	Impact of the Intended Educational Program Particular Shivamogga Nursing Institutes' Awareness of the Use of Defibrillation	124-127
Manisha Prakash Dumbre	A Study Of Light Weight and Heavy Weight Pre-Trained Models of Transfer Learning	128-135
Sakshi Manoj Surve	An Overview of Natural Language Processing	136-140
Vidya V	Video Saliency-Identification by Utilizing Spatio-Temporal Fusion Saliency Detection (STFSD)	141-147
Sarita M Beldar	Application of Quality by Design in Chromatographic Method Development for Drug Analysis in Pharmaceutical Formulations	148-157
Archana Sachin Garate	Dr. S. R. Ranganathan's Tenets in the Artificial Intelligence Era	158-163
Prateeksha Chouksey	Libraries Contribution in Nutrition Education	164-167
Basavaraj Sonnad	Isolation, Standardization and In-Vivo Pharmacological Evaluation of Camellia Sinensis as Antihyperlipidemic Activity	168-175
Shubhada Kanchan	A Biography of Sridharacharya, an Ancient Indian Mathematician	176-180
Singh Charul	Voice Communication Mobile App for Hearing and Visually Impaired Users	181-184
Sriparna Bhowmik	A Descriptive Study to Identify the Problem Faced by New Joinee Staff Nurses	185-190
Vaishali Rupam Pimpalkar	Agricultural Development in the Thane District – Challenges and Impact	191-195
Bhakti Bhagwat Pawar	A Summary of Edge IoT Systems' Data Deminish Solutions	196-201
Namita Ravi Jadhav	Waterproof Breathable Fabrics Using PVC & PU Coating	202-207
Bhanu P Pandia	Advancing Healthcare Quality through State-Of-The-Art Technology Empowering Better Patient Outcomes	208-216
Harpreet Kaur	Latchkey Syndrome	217-223
